

ADA Accommodation Request – GrizzlyMedicine

This document formally initiates a request for reasonable accommodation under the Americans with Disabilities Act (ADA Title III) for Robert B. Hanson, EMT-P (Ret.), a disabled veteran and SSDI-recognized individual, and founder of GrizzlyMedicine—a trauma-informed emergency communications platform. This request is made in connection with a newly formed T-Mobile Business account and the early prototyping phase of ADA-integrated emergency technology systems. The request is submitted as of April 2, 2025.

- 1 Requestor: Robert B. Hanson, EMT-P (Ret.), SSDI-recognized disabled individual.
- 2 Business Entity: GrizzlyMedicine – Tarrant County, TX (DBA registered 04/01/2025).
- 3 ADA Request Type: Reasonable accommodation related to access to communication technology critical to medical and business operations.
- 4 Primary Technology: Apple Watch, iPhone, and data-access nodes that support ADA/medical systems.
- 5 Functional Justification: Devices are required for ADA-compliant AI-assisted communications and health support under ResponderSUITE.
- 6 Support Requested: Access to device upgrades or support pricing outside standard credit-based restrictions, based on medical necessity and professional use.
- 7 Program Status: Business account in progress with T-Mobile; documentation ready for accessibility case creation.
- 8 Legal Standing: This request is protected under ADA Title III and Civil Rights Act extensions for telecommunications and digital access.

This document is provided as part of early-stage onboarding and engagement with T-Mobile Accessibility Services. Further documentation available upon request. Contact information and digital signature follow.

Respectfully Submitted,

Robert B. Hanson, EMT-P (Ret.)
